

Scott Lake Elementary PTO Membership Form

The Scott Lake PTO (Parent-Teacher-Organization) is organized for the purpose of supporting the education of children at Scott Lake Elementary by fostering relationships among the school, parents, and teachers. Please join us and help make a difference in our wonderful school community.

The Scott Lake PTO:

- provides a clothes closet for children in need
- provides school-wide reading materials
- produces the SLE yearbook
- hosts general meetings which includes performances of every grade
- hosts many events throughout the year

Thanks to the generosity of our families and donations from local businesses, in the last two years we were able to:

- upgrade audio visual equipment in cafeteria
- purchase picnic tables for new outdoor classroom
- purchase IPAD classrooms
- provide thousands of dollars for teacher grants and resources for classroom instruction

Our goals this year include:

- improving campus safety
- enhancing classroom and school-wide technology
- continuing the teacher grant program

Your \$10 family contribution ensures your membership for the 2017-18 school year!

Please complete the attached membership form, and turn into your child's teacher, to join us in supporting the Scott Lake community!
